

LMDC Nature Walk Agreement

_____ I give permission for the LMDC Staff to bring my child on a Nature Walk in the “stadium seated” Stroller.

_____ I understand that the Stroller is under the control of a supervising Teacher at all times and that children are never allowed out of the Stroller “unbuckled” from the Stroller seats.

_____ I understand that the children are secured in the Stroller seat with arm harnesses and leg harnesses, that lock. There is also an additional hard lap safety bar that locks over my child’s lap.

_____ I understand that my child will only be off LMDC premises for one hour or less.

_____ I understand that there is a portion of the street “William Ave” that the Stroller must travel on, to reach the ramp access to the Walking/Bike Path. This distance is ½ block.

_____ I understand that no infant will be going on the Nature Walk.

_____ I understand that the Nature Walk is a voluntary choice, no child has to go on a Nature Walk.

_____ I understand that all children will be asked, “if they want to go” on the Nature Walk.
