

LITTLE MOVEMENTS DAY CARE (LMDC) SAFE ZONES AND NON SAFE ZONES

Please be advised that parents and/or guardians are responsible at all times for supervising children in Non Safe Zones. The area from the white street gate to the daycare entrance is a Non Safe Zone. Also, all locations outside the white street gate are Non Safe Zones.

The LMDC Safe Zone begins upon entering the grey, six-foot gate to the right of the house. Please always close all gates behind you when entering. Do not assume that anyone coming in behind you will close it. When you close any LMDC gate, please make sure the latch closes.

Parents and/or Guardians must walk children into the Safe Zone past the grey, six-foot gate. Children should not play before or after school in the front yard area regardless of supervision. The front yard area is a designated LMDC Non Safe Zone. Also, please do not leave any child unattended in the front yard area while speaking to friends and/or other parents.

All consequences and or injuries to children and others in Non Safe Zones are the responsibility of the respective Parent(s). Parents should accompany any child exiting any gate. Parents should carry their children or hold their hands when crossing the street to their car.

LMDC strives to keep children free from harm. Please help us by following this policy and using common safety sense.

ACKNOWLEDGEMENT I have read this document and agree to its terms and conditions. I agree to indemnify and hold harmless LMDC and its owners for the acts of my child and/or other children while my child is in a Non Safe Zone location.
